“ Ken Scott was my uncle. I met Glenda in the late 1950's in California and we became close friends. We enjoyed trips to Scotland, England, and Scott family reunions in Gatlinburg. The time I spent with Glenda was always fun and entertaining. I will truly miss my dear friend Aunt Glenda . Wanda Wilson

“ I'm so sorry to hear about Glenda's passing. She was a woman full of life, love and laughs! Because of the close friendship she and my mom had, our family picked up and moved across country 40 decades ago and she opened her house and let my family of 6 move in...for quite some time...as my parents got their feet planted in GA soil!! As time rolls by, I moved away a very long time ago, but had the opportunity to see and visit with Glenda in 2007 and she was just as fun and spunky as ever!! Glenda, you will be missed, but we will always have our memories... Kendra and Roxie, my heart and prayers are with you both and your families during this painful time. May God be with you all and know she is resting in the arms of our dear Lord right now. Take care of one another and I love you both very much. Sending this with a big hug,

“ I worked for Ken and Glenda at Dade Auto Parts while in high school. I have many great memories of them during this time and later years. Ken and Glenda were really nice people. I can remember the girls running around the store and having fun. One day in particular always come to mind when thinking of those days. Ken was not feeling well that day and it was just Glenda and me at the counter. Ken had gone to the back,laid down and fell asleep. A man came in and bought a little over \$100 in parts and presented a check for \$400 and I presented it to Glenda for approval. We had some reservations about the check and Glenda did not want to wake Ken and reluctantly approved the sale. Needless to say the man had just left the store when someone called alerting us about a man passing bad checks but he was long gone. Glenda was very upset and Ken was not a happy camper when he awoke and heard the story. Glenda and I had laughs about the incident anytime someone came into the store with a check. Ken made future approvals lol. My love and sympathies to the family.

“ I met Kendra (Glenda's daughter) working at Shoney's, on TN Ave, while I attended UTC. I have so many wonderful memories with her whole family. Used to live behind Glenda's parents on their land, in a little silver trailer. The best place I've ever lived.....on Sand Mnt. One time, me, Kendra, Glenda, and a friend if Glenda's decided to go frog giggin in her friends boat.....with a shotgun. I stirred the boat. Never paddled in a boat before, Glenda would say, hey there's one (frog) and I'd paddle the boat in the wrong direction evertime. Glenda laughed so hard. Glenda was always laughing though. Never saw her sad or in a bad mood. I will miss her. So sorry for your loss Kendra and Roxie. You and your family are in my prayers for peace and comfort. I love you. (((Hugs)))

“ So many fun, loving memories of Aunt Glenda. She was always there for anyone who needed her. I will never forget the shenanigans we got into. Thanks for all you ever did for me. My dad told me once that I was just like her....I hope so.
