

Paul Gordy

July 27, 1967 - October 23, 2018

Tuesday, October 23, 2018 Paul G. Gordy, of Trenton, GA (formerly of Austell, Ga), our Superman, made his final flight winning his battle with cancer. A gentleman always knows when to leave the room and he departed his Earthly home, surrounded by his family as well as a host of friends and loved ones. We are at peace knowing that he is no longer in pain or suffering. He has received his ultimate healing and is resting peacefully in the arms of Jesus. He will be greatly missed by all who knew him. Paul leaves behind a legacy of strength, courage, love and compassion.

Paul was a veteran of the United States Air Force. During his service he was an aircraft maintenance specialist. He received the Good Conduct Medal and the Air Force Training Ribbon. He served during Desert Storm. He also served many years in the Georgia Air National Guard. Paul was proud to be an American and served his country faithfully and without question. He ended his military service as a Non Commissioned Officer. He was a member of Mount Harmony Baptist Church where he taught Sunday school, and was a member of both the orchestra and choir. Paul was employed by the Dade County School System, where he worked as a custodian and a substitute teacher. He loved the children and families of Dade County and did all that he could to serve them. Paul truly had a servant's heart.

Paul was preceded in Death by his father Alvin Gordy.

He is survived by his loving wife of 26 years, Lori Gordy, his sons Devin (Sydni) Gordy (Jacksonville, Al.), Calib (Layla) Gordy (Trenton, Ga.) and Logan Gordy (Trenton, Ga.) His mother Inge Gordy (Austell, Ga.), his sister Rose (David) Pitts (Douglasville, Ga.) and his brother Kenny (Candi) Gordy (Arizona) as well as many nieces and nephews, a large extended family and a multitude of friends.

“ My thoughts and prayers are with all of Paul's family at this difficult time. I worked at Rock City with him and only knew him since June. He was a great man, one of the first I worked with in the ticket desk. He was always patient and kind and taught me a lot. One evening while I was working, a machine had run out of cards and I didn't know how to fix it. He wasn't working, but just happened to stop by to get something and immediately stepped in and help me. He was always patient and helpful. He will be greatly missed.

“ Mr. Gordy was a wonderful man who was a devoted husband and father. He was an exceptional supporter of Dade County students and staff and served as a substitute. He had the best work ethic! He was the first to step forward to do whatever needed to be done. He was a joy to be around, and I will miss him greatly. Jan Harris

“ One of my favorite memories is Paul and Lori (and I think it was Logan) coming over to our house to help us put in a new TV when the old one quit working. This was when Lori just had surgery on her shoulder and I believe Paul had just went into remission the first time. Anyway, I didn't expect them to come help us install a TV because it wasn't something we HAD to have at the time. But that was how Paul was. He knew someone was needing help, and he would drop everything to help them! He always had a hug and a smile for me, and he could always tell when my smile was fake! I was never ashamed to tell that man I love you because I knew he loved me, too! Paul, you are not in pain anymore, and I will miss that gorgeous smile of yours!
