

Rodney "Tony" Lebron McBryar

May 21, 1953 - November 29, 2020

Rodney "Tony" McBryar, 67, of Trenton, passed away on Sunday, November 29, 2020.

Tony was a 1971 graduate of Davis High School and was the owner of Tony McBryar Construction, working alongside his employees sharing his skills of homebuilding and work ethics. In his younger years, he loved hunting and fishing, but preferred sitting on the porch sharing stories in his later years. Tony coached many of our young men in little league baseball and he loved S.E.C. football. But what Tony loved most was his family, teaching his grandchildren his gardening skills and always doing odd jobs in the neighborhood to make it a safer and better place. He was preceded in death by his father, Hershel McBryar, grandparents, Annie & Herbert McBryar, and Bea & Homer Hendricks.

Survivors include his loving wife of 47 years, Regina Pell McBryar; sons and daughters-in-law, Rod & Amber McBryar, Rocky & Mandy McBryar; grandchildren, Ella Rose, Josie, River, Huck & Tommy McBryar; mother, Gail Hendricks McBryar; brothers, Lemar (Deb) McBryar, & Eddie (Karen) McBryar; many nieces, nephews, cousins, and a host of friends.

Private family services will be held. To share expressions of sympathy, visit his online memorial page at ryanfuneralhome.net.

Arrangements are by Ryan Funeral Home & Crematory, Trenton, GA.

“ To know Tony and Gina is to love them! I don't think I've ever met anyone more kind. They've always made us feel welcome in their home and being around them felt like being with family. I have so many memories of Tony. I'll sure miss sitting next to him at ballgames, those front porch chats, and that smile that would always light up a room. Tony will be missed by all who knew him. My prayers are with Gina, their boys and grandkids. We love you! ❤️ Eugene, Danielle, & boys.

“ Our hearts are heavy for Regina, the boys and their families. We have been friends with this family for a long time. Friends that since all our boys graduated high school and went their separate ways, we had not spent much time with. We have many fond memories of the days our boys played tee ball all the way thru high school baseball. Tony was always right in the center of all our ball playing. One game in particular sticks in my mind, we were in a tournament at Chickamauga, went into extra innings and played until 2 am in the morning. Tony and the boys claimed victory and he encouraged them the whole game. He coached, encouraged and always made sure every boy played that he coached. Tony will always be remembered for his big heart for kids. As we have become grandparents, we were once again blessed to be brought together occasionally for ballgames with our grandkids. Tony was one of a kind and will be missed beyond words.

“ Our hearts are broken to hear of Tony's passing. To have Tony and Gina McBryar as friends is a blessing. We first met Tony and Gina in the fall of 2014 when we moved in around the corner from them. Even though it was a temporary stay in the neighborhood, we found two wonderful people in the McBryars. People that treated us as more than just friends, but more like family, warm and welcoming. Sitting on the porch or under that big tree in the back yard listening to Tony tell stories was just delightful. He will be missed by so many as he touched the lives of so many. To have known Tony enriched our lives more than we can describe. Our deepest sympathy to Gina, the boys and their wives and those beautiful grandchildren.

“ Lamar and I love you guys. We are heartbroken for you all. The things I love about Regina and Tony are the fact that they tell you how it is, welcome you in and then offer you something to eat. I have always enjoyed anytime I was in there home or around them . Your family is loved by many and the Burrells are here if you need anything.

My family met Tony and his family when my kids started playing rec ball in Dade County. Tony had a storyline for all occasions but you could see the joy and how proud he was when he was talking about his family. We lost a friend and Heaven gained. Rocky if y'all need anything call on us! David, Joyce and kids !!

“Gina as I was spraying stains out of Sis’s sweatshirt today, I had to chuckle at the memory of Tony always telling me at ballgames “Well girl you tried.” Sis would always show up clean and he just could not wait to see how filthy she would be by the end of the game!! I will so miss that beaming smile and the kicked back, easy conversations at the birthday parties!! He always had everyone laughing! Love you all and you are in our prayers!! He will be so greatly missed!!

“Gina - Brad & I are shocked and saddened to hear this news. We moved to the neighborhood not too long ago, and only had a few opportunities to interact with Tony in that short time. But that's all it took for us to learn what a wonderful man he was! He always had a radiant smile, a kind word and an entertaining story. He will be sorely missed by all who had the pleasure of knowing him, including us. You and the rest of the family will be in our thoughts.

“ When we moved here 10 years ago and planned on building a house the only name we heard was Tony McBryar, so we hired Tony McBryar. In the past 10 years you have become more than just the builder that built our home, you and Gina have become very dear friends of ours and Lauren's. Lauren loves that pond you dug for her. During the summer she would always ask if we could ride down and see Mr. Tony & Ms. Gina. We always enjoy sitting on the front porch with you, Gina and the grandkids and listening to your stories and their school stories. Absolutely loved when you'd show us your garden, and what a garden is always was, always made me envious. I remember the time we went down to your house and I said I had a complaint about the house. When you asked me what it was I said Nothing, I have nothing to complain about and we all laughed. We're going to miss seeing you drive buy, beep and wave or stop and talk. Going to miss seeing you ride by with the grandkids and Bonnie running behind trying to keep up. The world has lost a good man but God now has a good man and builder walking with him. Rest in Peace Tony, we will all miss you.

“ *Tony and I have been friends since grade school and coached ball together, even playing against each others' teams at times. I have lots of great memories of Tony coming by the shop and spending hours reminiscing about past ballgames and our families. I especially remember Regina and he bringing Karen flowers when she was first diagnosed with cancer almost 3 years ago. Tony loved his family and was proud of his boys and grandkids. He will be missed by many and there will never be another Tony McBryar.*
