“ *Bro. A.C. preached both my parent's funerals. Tom and Barbara Schild. He and his family hold a very special place in our heart. One revival he preached for my dad was very instrumental in my Salvation. Heaven is even more sweeter now since up there with them.*

“ It was my honor to meet and become friends with Bro. Durham. Our paths first crossed briefly at a Jubilee Meeting in De Soto, Missouri. I was deeply moved by his preaching, his sincerity, his love for God, his tenderness, his burden for his family, and his earnest and faithful filled prayer life. It was my privilege to have him for several years come to our Annual Jubilee at Old Paths Baptist Church, in Dubuque, IA. He was always the honored and preferred speaker and our church family grew to love him dearly. I will greatly cherish the memories of having Bro. A.C., Bro. Shofner, and Bro. Waymire, all chatting at the same table. There was no telling what might be said or what might be heard. Those will always be precious memories. I greatly appreciated his advice, his friendship, and his prayers for my family and I. I always looked at Bro. A.C., as an unsung hero. He was one of the giants of the faith and will be greatly missed. I am glad to have been able to say he was my friend.

“ I have many fond memories of Bro. AC but one of my favorites was when our church went to the Ol Kentucky Camp, Jason had woke up early so he Colton and I were outside enjoying the sunrise, Bro. AC was going up to the dinning hall to have breakfast and pray with some of the other preachers, Jason wanted to go so bad but I kept telling him no. Bro. AC said “Awe let him come it will be good for him and you could use a break” he turned and walked hand in hand with Jason. I knew Bro. AC was tired because the services the night before had been long but he never thought about himself, he just saw that I was tired having a 4 year old and a 3 month old and wanted to help!! This memory will forever hold a special place in my heart!

“ Dear Sister Durham, How we loved your dear husband and you. We always had such sweet fellowship when we got together. We had him up to Missouri and Iowa for Jubilee meetings and conferences many times. I Remember the jubilee meetings at his church on the mountain with men like Brother Hurt, Brother AC, , LC Easterling, Bill Shofner, the Thompson's , Fred Vaught And many others who have passed over probably having a jubilee up there. I will truly miss him, especially his prayer life as I know he prayed every day for me and others. Our prayers will continue for you and your family.
