“ *I've only known him for a couple of years. He was always friendly to me. Always kind and willing to help. I'm led to believe that he was a man of faith by the fruits of the spirit I witnessed while around him. May God be with his family and friends as they grieve his passing.*

“ I worked with Alan for a short time at Wrigley just recently. During that time Alan was always respectful and kind to me. While I did not know him a long time, in the short time I was acquainted with him he showed himself to be a genuinely good person. I know he had the respect of all of the staff and management here at Wrigley. He will be greatly missed. I am sure he now has his reward with Jesus.
