“ *I am at a complete loss of words. I met Tim in 1982 and considered him a very special friend for over 40 years. We kept in touch on a regular basis and talked about everything from kids, to work, to retirement, to college football. The last time we talked he told me he was doing good and was even considering going back to work part-time. I was not expecting to hear this kind of news anytime soon. What a great guy and a better friend. My deepest sympathy to Roger, Baxter and the Shelton family. I wish I could have been there to say goodbye.*

I will miss you.

“ *Tim was a good man and a true gentleman. I knew him and worked with him for I can't remember how many years. He believed in, and lived by the golden rule. He was kind, caring, and always there if you needed help or support. A better friend you will not find. Rest In Peace Tim. I know you're in a better place but I sure will miss you.*

“ I miss you already Uncle Tim!

My Uncle Tim was as great an uncle as a kid could ever want. Lucky for me I had two. As I sit and think about memories with Uncle Tim, I'm amazed at how much I remember and the joy I felt when I was around him. The number of days we spent together wasn't all that impressive but what is amazing is the fact that I feel like I remember most of them. My Uncle Tim had a joy about him that he constantly shared through his smile. He was laid back and fun to be around. I always felt comfortable, happy, and loved when I was with Uncle Tim. The farm won't ever be the same, and we'll never have another bonfire without thinking of him. But through all the great memories, I'm sure he will continue to bring us joy.

Thank you, Lord, for Uncle Tim. Thank you for how he was authentic and full of joy. I miss him; but I'm glad he's with you now. I'm glad his body is fully restored and that he is now hanging out with Jesus alongside Grandmother and Granddaddy. Amen.

“ My sincerest condolences to Baxter and the Shelton Family in the loss of Tim. I have known Tim for over 30 years and he was the kindest and most genuine spirit. Over the last year we reconnected and our friendship never missed a beat. He was a wonderful friend and blessing to many others. I will cherish our many memories, remember our numerous "back 40" calls and thank God for allowing us to reconnect. I will see you on the other side, my friend. I know you are in God's hands. Baxter, I pray God will comfort and strengthen you and your family. God Bless you all. 🙏

“ I met Tim back in the 90's. He was driving thru LR on a sales trip, and I arranged for him to meet with Coca Cola reps. He was so friendly and had such a great smile...we became friends instantly. A friendship that has lasted through the years. Although we didn't see each other often, he ALWAYS kept in touch by phone. I will miss him very much. My prayers are with his son and family.

“ Don and I are heartbroken over Tim’s passing. A childhood lifelong friend of mine. Growing up having birthday parties, church and Sunday school activities, school, softball in the Shelton’s front yard , spending the night with Kristy and all of us playing games. What wonderful and precious memories! The Shelton’s have been like family to me all my life. Tim was loved and will be missed by all. 💔🙏✝️

“ I worked with Tim in his Cavalier days. While I had Lost contact with him personally I did catch up with several other friends of ours who gave me updates from time to time on Tim’s well-being. My memory of Tim was a very dependable likable and enjoyable person to be around and I enjoyed working with him. I would like to personally express my condolences to the family.

Tim and I worked together at Cavalier and Debitek. We shared lots of good times and many adventures. Our paths crossed through the years as we were both in the same industry. Sometimes years would go by but once we met again it was as if no time had passed and we picked up where we left off. Tim was a good friend and will be missed. Condolences to Roger and the rest of the family.
