“ *I was sad to find out today the passing of Bea. For many years I loved chatting with her from California. She is now with her savior and Milo by her side. Although I am not in touch with the family these days, my heart goes out to all of you. Bea was truly a special kind and loving woman. Fran Lager (previously Lusk)*

“ Words can not express my shock and sadness to hear about Bea. She was a very beautiful, special person. She always had a smile on her face no matter how bad she felt. Always positive. She will be greatly missed but not forgotten. My thoughts and prayers are with you and your family. May memories of good times comfort you at this sad time.

*THE LIGHT SHINES ON IN HEAVEN*

*A life well-lived is like a light  
so beautiful and rare  
That everyone within its glow  
Is blessed because it's there.  
And though the light goes out on earth,  
in heaven it shines still,  
And the beauty is revealed to us  
Lives on and always will.*
