“ I remember meeting Becky the first time at her home while returning Cloe from a visit with Sharon while I was up visiting from Florida. Becky was a gracious lady. She was welcoming and generous. She and I exchanged phone numbers and were friends on Facebook. She made me nuts tagging me with every one of Cloe's events and accomplishments. She was a very proud Nannie to Cloe. She and I supported one another during difficult times in our lives. She was strong in her faith. I saw her grow even more so during those times. I know she would want all of her family to accept the Lord as their Savior and call on Him now, ask Him to forgive you and believe ..He was born of a virgin, He died on the cross as a sacrifice for and me and all who will call on Him, and He did in fact raise Himself from the grave, beating death itself for a promise to us all that we too can live again. Please do this, ask Him. He is faithful to forgive. This is Becky's Testimony. Check her Facebook profile if you do not believe me. She was a good friend even long distance. I am grateful to have known her. She will be missed.

“ *When Cory was 6 till around 12. I drugged this lady from ball field to ball field all over town and the south. She loved baseball, but she loved watching Cory play even more. She always had my back. I will miss her very much. She was one of the only ones to say “Thank You” for coaching her kid. She loved God and it showed. She was a blessing. Rest In Peace my friend.*
