“ Aunt Betty was a wonderful and welcoming soul. Not only was her heart always open; but, her door was as well. Growing up there were many visits with her. She always had children running around, and not just her grandchildren; the entire neighborhood's children and grandchildren. She was a protector and a natural caretaker. She loved freely and was/is loved by many. I know this heart loves her and will miss her.

To her children, grandchildren, great grandchildren, and great great grandchild, and siblings,

We are so sorry for your great loss, you all will be in our thoughts and prayers. We love you all.

*Love your cousins,
Daniel & Becky (Conkle) Cartwright
& Gracie Sanders*
