“ I loved Ant Bet so much! She will be so very missed!! Prayers for all the family and friends. If you knew our ant bet than you know how sweet, kind and giving she was! She loved her family so much you could see the love she had for them when she would tell you stories about them her eyes light up with joy! If there was anything that I have learned over the years from her and her wonderful sisters is nothing is more important than family, and no matter if you see them everyday or not you never forget the love you have for one another! They all pull together in times of need and never forget where you came from!!! I LOVE you aunt bet and the rest of the family!! I pray god gives everyone peace and love as we say our last goodbye to such sweet and careing lady may he touch each and every heart to heal the pain that they feel and may he show everyone that she is always with us , watching over us and always in our hearts!
