

## Beverly Gail Pemberton

December 30, 1948 - September 10, 2021

On September 10th Beverly went from this life to her eternal home in heaven. To know her was to know true Love. She had an abounding love that reached way beyond her family. She devoted her life to the care of others and it came from a humble servants heart that loved Jesus above all. She was a member of the Battlefield of life Worship Center in Rock Spring, Ga. Her community probably remembers her best for her career as an at home caregiver for the elderly. It would always be said of her how thankful that the families were at the care that was shown to their loved ones. Remembering her won't be hard to do because she is truly one of a kind. There could never be another Bev.

Beverly was preceded in death by her daughter Sandy Dineese, and parents Norma and Eddie Harris Smith

Survived by Husband, Pete Pemberton,  
Children: Joe (Stephanie) Pemberton, Lyn (Michelle) Pemberton, Renae Mckenzie, and Ronda (Earl) Seelye; sisters, Sandra Wilson, Latricia Rochester, Patricia Hancock; brothers, Leamon, Eddie, and Jim Smith; several grandchildren, great- grandchildren and nieces and nephews.

“ I really really miss you, and if I could change one thing it would be to have been way more appreciative of you, now your gone and I will always miss you however, I am happy for you. I just wish that you could see me now. Im a way better person and I'm not a small kid anymore. Just a bigger one. We all miss you. These words are the only way I can express a fraction of my sadness. Everytime I see an elderly woman with the same shirts you used to wear or when someone would say good grief, I had to fight everything in me not to cry, I'm trying to be tougher now because you definitely would not want us to be sad. I just can't help it

“I'm so sad of her passing away she will never be forgotten. She will be in a better place with our Jesus. She would go yard selling with us every day if she had the chance. She loved helping others . I think she is the best grandmother ever to be on this earth. I'm sure she is happy now and now will forever be safe. Beverly will forever be loved by family and friends. R.I.P Beverly 🥹❤️”

“ This is so unfair..... Aunt Beverly was the sweetest person that I ever met, from the time that we were kids seeing her in Lookout Mtn, or when Her, Uncle Pete and the Kids would come to GA. to visit, she always had that beautiful smile and nothing but good to say, I never once saw her upset or had anything bad to say about nothing or nobody. She was a true angel here on earth and should feel right at home now, So SAD in a way to know that she is not here with us, but am rejoicing for sure to know that she is where she belongs.... Such a Heavenly Spirit and will surely be missed by many. I / we all Love you Aunt Beverly & until I / we see you again.....
