“ *Brandy was my only niece and not a day goes by that I don't think of her!! She was my mini-me and for a long time I didn't know that and looking back I wish I would have spent more time with her and been around her more as a adult. She was a great mother and a wonderful person in general and she is so loved and dearly missed!! Fly high baby girl and I will see you soon!! Love always aunt Tina*
