“ *Some of my best memories were with you Branon. One of my favorites is when we were spending the night with Nana and we stayed up all night playing the GameCube, drinking Yoo-hoos and eating every snack she had in the house until we felt sick. I had fell asleep next to you and would occasionally wake up to you still wide awake off of all the sugar we had consumed playing need for speed. You always made me feel so loved when I was around you. Every time I spent time with you I felt at peace and didn't have any care in the world, nothing else mattered but hanging out with my favorite cousin on a Saturday night. I love you Bran Bran. -Hay Hay ❤️*
