“ *"Dudley" as I knew Bruce, was a fine young man during our McCallie school days. He was one of the few day students that got along with all of the boarding students, which is one of the reasons he was elected Class President in 1978. We did not see each other much over the years, but every time we communicated, he was the same guy--warm, enthusiastic, always smiling, and always saying a kind word. Bruce was the epitome of what all decent human beings try to be---but he took it a step further with his caring nature, kind temperament, and outgoing personality. He will be missed and I extend prayers to his family and extended family for comfort and understanding.*

“ *Bruce was everyone's little brother on Oriole Drive. He was quick with a smile, had a heart of gold, the courage of a lion when playing baseball or football, a great imagination of us cowboys defending the 12 foot high "Fort Apache" like fence in the Guthrie back yard against heathens of all descriptions. My sincerest condolences to Mr. Guthrie "Billy Bruce", Debbie, little GiGi, Bruce's children, Will and Shelby. Across the street neighbor, 31 Oriole Drive, John Hale.*

“ Bruce bettered my life as an attorney and as a person. I clerked for him in the summer of 2000 while I was in law school. I enjoyed that summer with him, his sister, his dad and the rest of the firm. Bruce taught me how to be respectful to the judicial system, especially the hard working people who carry out the day to day administration of the court's (the clerks). He was a very positive, carrying gentleman. I will always appreciate him and his family.

“ Mr Guthrie, Bruce was a dear friend and I had planned on attending the service but will be in AL having my second Thanksgiving with my son's family. Life gets complicated when your children grow up. I hope Bruce finds the peace that alluded him during the eight years that I knew him. Will be praying for you and the Guthrie family, especially Dee since she will be bearing the burden of supporting the family during this time of sadness. God Bless, Joe Dana

“ I will always remember Bruce as the neighborhood little brother. He was a good kid, quick to smile, adventurous, and always willing to participate in our activities whether playing football or baseball, playing cowboys and trying to climb that 12 foot tall "Fort Lincoln" fence in the Guthrie back yard, or a jolly round of catching lightening bugs at night in a mason jar with the Roanne Watkins patented holes poked in the top with grass down inside for the bugs to climb on and eat. Rest In Peace little brother and my sincerest condolences to Billy Bruce, Debbie, Gigi, Will, Shelby, and Ray. Across the street neighbor on Oriole Drive, John Hale.

“ So sorry to hear this kind of news. I had not seen Bruce in some time, but he was a delightful man to be around, and helped us out a couple times over the years. We did his floors on Lookout Mtn, as well as the ones in the house in Tiftonia. That was some time back, and I had not heard from Bruce lately. Did not know he was having health issues.  
Bruce touched a lot of lives, and will be sadly missed.
