“ *Carnell will be missed by all. Our show won't be the same without his call ins. He was such a fun person to be around. I will always remember the story he told frequently about playing football in school and Maris cheerleading. He said while he was running down the field he was always looking and yelling to Maris. " look Maris I got the ball I got the ball" what a sweet story. Praying for the comfort and grace that only the Good Lord above can provide . Monda Wooten*
