“ *Caroline was the best thing that every happened to me ..... sadly I was too stupid and selfish to realize it when I should have. I was her Boyfriend when we both lived in the S.F. area..... I miss her every day, and now that I know she has past away.... I'm sorely lost and besides myself. Dear God, you took the wrong person far too soon!!! Much Love,

“ *I came across this obituary just now. I was a childhood friend for many years and sadly we lost touch about 15 years ago. A few nights ago I had a dream that I was in some town that I knew she lived in and was trying to find her and someone told me that she had died. I felt so moved by the dream that I decided to google her name, Caroline Elizabeth Vance, CA (the last place I had contact with her) And when her obituary came up I was stunned... needless to say. Age 55, heartbreaking and too close for me. I see that her Dad is still alive. If you see this Mr. Vance please contact me. Much Love, Dorothy Hill Bremer dorbells23@earthlink.net 770-565-6243*
