“ As cousins, we lived in different towns so we didn't see each other often. It was always fun to visit Aunt Essie's home and family and especially the family reunions held at her home. I always enjoyed visiting all my cousins and I especially remember Sue. I can speak for all of us when I say we never had a lot of material goods or wealth but Sue always had a smile on her face and was always grateful for blessings whether small or big. May God bless your family and give comfort and peace. Love you all.
