“ Everyone in this family knows me an if u knew Cathy u knew about me. She an I shared a lot of yrs together an alot of struggles . We decided friendship was what was best for us but friendship doesn't quite cover how I felt about her.her voice got me through days I don't think I would have made it through otherwise. I loved Cathy an she did me . An I will spend the rest of my life missing her. I know she isn't hurting anymore but damit I want to be selfish an have my sweet friend back ,it's not fair to those of us that needed her an loved her.

“ *Although Kathy was always sick herself, she would always call and check on me to make sure that I'm OK she's a good loving person. She will be missed. I pray for the family. It's gonna be a big loss for them. It means she's at peace and not in pain I talk to her on Christmas Day*
