“ Dean Family:  
My prayers, and that of my church, are with you all during this time. Understandably there is much sorrow and pain at Chad's passing but the knowledge that Chad is with the Lord and no longer in pain eases the thought of his passing.  
I pray God comfort you, strengthen you, and provide the peace that only He can provide.  
In Him,

“ Pam, I am unable to make the funeral, but please know you are in my prayers. I loved Chad like he was my own son. I am so glad he is not trying to fight it any longer and he is at peace now. Expressing sympathy is always difficult, but all we can say is how sorry we all are. Please remember that your loss is shared by those who care and understand. May the love of your family and friends bring you peace and comfort. His memory will live on in all of our hearts. He is in God's hands now. We love you!!
