“ I am unbelievably shocked and saddened by the loss of my cousin Charlie as I couldnt even begin to understand the pain and emptiness that is being felt by my Aunt Kay, Wife Melinda, Son Austin, and everyone else who had the pleasure of being close to Charlie on a daily basis. Words cannot even start to render any heartbreak felt right now. Please accept my deeply heartfelt Condolences to my family of whom were closest to him, as I couldnt even begin to imagine the pain and shock that Charlies unexpected departure has left in the broken hearts of those closer to him. I loved Charlie like a brother and know 1st hand that he was a good man and to know him was to love him. He will be missed and his memory will stay strong with me as I do have many, and they were always good. Charlies presence alone was always memorable. I will miss him and the marks he made in my heart will forever remain just like they were yesterday. My Thoughts & Prayers are with the family as he now awaits the rest of us to come be with him as he walks in the presence of the Lord.

“ Charles and I were thick as thieves in middle school. If I wasn't spending the night with him, he was at my house spending the night with me. He was always good friend and great person to have around. And while we went separate ways after high school, I've never stopped considering him a good friend. I'm so saddened by his loss.

“ *Charles was my office intern at Dade Elementary School when he was a senior in high school. He was a hard worker, and happy human being. The last time I saw him, he showered me with compliments about my love for children, which I very much appreciated. I am saddened about his loss, but thankful I got to know him. R I P*

“ I wish I had gotten a picture of his face whenever him and the family came down to Arizona but I had to catch him and Melinda off guard because they wouldn't let me take a picture lol. I love Charles's big heart, he was so loving and sweet to me whenever I would visit them in GA when I was younger. I also loved seeing how evident his love was for Melinda, I had seen it when I was younger and when I was an adult. That love is still the kind of love I wish to have someday. I love you all so very much. I am here for anything you need, please don't hesitate to ask. May God wrap you all in His loving embrace through this journey of grief❤️

“ *We will miss you Chuck. We've been friends since middle school. You could never ask for a more loyal friend, or someone with a bigger heart. A TRUE friend is hard to find, and you are the definition. Love you brother.*
