“ *I miss you so bad. I'm trying to be strong. I'm trying to move on one day at a time. I'm putting on a show, as I'm yelling from inside. I try to keep a smile when all I want to do is cry. How can I go on with out you, you promised me you would never leave me. All I can pray for is we get another chance to relive our love. I love you, my love. Forever and always*

“ Lord, I have known Charlie for 20 years or more, he was my very best friend at one time in our life. I have so many memories of him and me hanging out, working together at Vincent Printing Co. and at his old house in Middle Valley. We pretty much remodeled his and Kims entire house, turned the garage into a den and the big thing was the 10 cross tie high retaining wall in the back of the house. Back then I practically lived with Charlie and Kim. They were my very best friends then. I remember when we me and Charlie went caving at mile straight cave long time ago had a great time Steven went with us a couple times. Great times and memories. I am so sorry for the family's loss at this terrible time. I want all of you to know that I Love All Of You WITH ALL MY HEART.
