“ We have so many memories with Ralph and Charlotte. Riding out a hurricane is only one that sticks out! There were many VBS weeks, beach trips and wonderful conversations. I always referred to Charlotte as Maw because she was always there when needed. I love you Maw and you will be missed. ☐

“ It is with a sad heart that we post this memory. Charlotte was a very sweet lady and always had a kind word for people. She and her first husband Ralph were very close friends to my parents (C.D. & Betty Wright). I heard many wonderful adventures they shared and created fond memories.

The family are in our thoughts and prayers during this difficult time!

“ Mrs. Charlotte was my kindergarten parapro at Davis. She and I later had the privilege of working together at Dade Elem. for many years before she retired. She was a sweet person. I could always count on my birthday card from her. She was like cock work and NEVER forgot! Thoughts and prayers are with this family during your time of loss. -Rhonda (Davidson) Bradford
