“ I met Chris when he was a very young boy, I actually wasn't that much older than him, I was a young girl, but instantly became "Aunt Pattie" he was the sweetest boy. Life sent us in different directions, but i never stopped Loving him, and I don't think he ever stopped Loving me...

“ I moved to Ga with my family for a short 4 years but in those years I met one of the best friends I'll ever have. We met coaching basketball together. He wore his TN clothes and I wore my Bama. Since I moved back we have always stayed in touch. The moment I heard this it killed something inside me that I'll never get back. Chris was one of a kind. A kind hearted and loving father and husband and the greatest friend a guy could ask for. I'll keep in touch with your kids and family Chris. You watch over us from up there. I will always love and miss you my brother.
