“ *I graduated with Cody and met him when I first moved to Trenton and we were in the same 5th grade class. He has always been such a sweet soul and it broke my heart to hear of his passing. He always had a way of putting a smile on your face. We met his mom often at school functions and she was such a sweet lady herself. I know the impact he made on so many people and he will be greatly missed. Love and prayers sent to you and your sweet family!*

“ Vickie,

I am so sorry that Cody left so young. My heart breaks for you. I will miss seeing him as I walk my dog in the neighborhood. Some times we chatted and other times we'd just speak and smile. He always had kind words, never negative and always smiling. I feel that I have lost a friend. I will miss him.
