“ It was indeed my pleasure to have worked with Kim at Walmart for 6 years. She always had a smile, was so helpful and we always had a good laugh about something. Nobody could mess up a cash register sale better than I and she was always there to "rescue" the moment.

I hadn't been in the store for a while and stopped by on Christmas eve. To my delighted surprise, Kim was working the "front" and just happened to be near the register I checked out at. Having wished her a Merry Christmas and good things for the New Year, has made this tragedy even more painful for me.

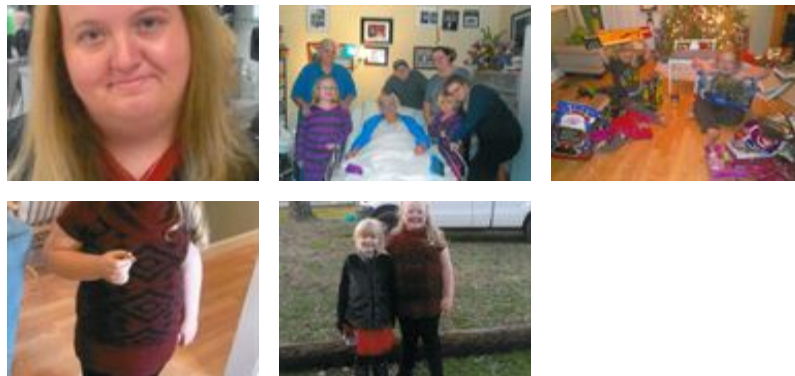

She touched many lives, and my sincerest condolences go out to both families
