“ *I was privileged to know Cora by marrying her grandson Steve. She worked extremely hard during her life and was very talented and capable, yet so very humble. She loved to laugh, and we spent many hours enjoying her company on her porch or in her living room. Steve treasures the memories of summers spent at Nanny G's, playing with cousins in the yard and enjoying her wonderful cooking.*

We are trying not to be sad, but they aren't making them like Cora anymore. We already miss her terribly. But we are SO VERY grateful to have had her in all our lives as long as we did!

“ I have such special memories of Aunt Cora Mae. She was a sharp, talented, and loving lady. I remember she and Uncle Orville coming to our house and playing cards. There was lots of laughter. I think she and mother were masters at cheating. She will be missed. I loved her dearly.
