“ *Cindy was my cousin, I think second cousin once removed or something like that. When I first moved back from Louisiana to Tennessee, I hung out quite a bit at Cindy's place. When I first got my own place, a duplex off of Delaschmitt Road in Hixson, TN, she lived not far away off Austin Road. We drifted apart over the years, and the last time I saw her was about 2003 or 2004. I only found out she'd passed when I looked her up online on a lark and stumbled across the obituary. I never even knew she'd gotten married. I already missed her, and now I'll have to miss her forever :-)*
