“ *Ours hearts are broken!!!! We have known Dana for the past few years, she was a breath of fresh air when we saw her walk in the room! She was one of the most giving and caring people we have ever met! She touched many of us at the Center for Sports Medicine physical therapy and will be dearly missed. Our prayers go out to her family, especially her sons, whom she loved so much.*

“ I became close with Dana when Jacob and Owen played ball together and she was the dug out Mom. When Abel got sick she came to visit me a couple of times and she was at every Benefit Car Show in support and I'll never forget that. I loved her and I'm so sorry that she's gone. Praying for all of you 🙏

“ What a shock to hear of Dana's passing! I know you are all in such heartbreak so I pray God wraps His loving arms around you all and brings peace and comfort as only He does best. Dana was such an amazing young lady who grew up with my girls, Janet, Tammie and Mechele and she will not be forgotten. I am so so sorry for your loss. Hugs and prayers to all!

“ My heart is broken... I loved Dana as she was my friend for so many years. Occasionally, I would tell DeeDee my fondest memories of her singing in church or the time Bill and Diane took me camping with the family. I took her on a date one time and we spent the whole evening laughing and talking about our childhood. I'm so sorry that we didn't do that again and wish I could have been there for her. I love her, Dave, and the whole family and will miss Dana dearly.

“ Dana loved all children. She had such a big heart. I will always remember coming in from work one day when Dylan was a baby and finding Dylan and her napping and his hands were all wrapped up in her long hair.
