“ *Although time always seemed to place a great distance between the moments we were able to enjoy your smile; sadness nevertheless consumes our day now. However, your bright memory shall carry us forth as we know when we all meet again, it will be everlasting.*

“ David was a friend of many years, and he was a great man. He was a kind person and all ways a smile on his face. I am so sorry that he has left this earth, but where he is going is such a better place. He is now one of GOD's angles and he will never hurt or want for a thing. God will be there to take him by his hand and love him more than he will ever know. He will be with Family , that he hasnt seen in years. It will be a great day with his family and loved ones for him to have that smile on his face! You will always be in my heart and thoughts and I will never forget you. so rest in peace my brother....love you alway and forever...xoxoxo
