“ *Ms. Jean worked for my parents' business, Tropical Forest Florist & Greenhouses, in the late 80s and early 90s. I will never forget her green thermos of coffee that was always full and her cigarette sticking out of the corner of her mouth as she watered plants. She could make a coconut cream pie like no other. She was always good to me and I will miss her. My prayers are with Mr. Carlton and the rest of her family.*
