“ *Mr. Tishaw was one of a kind. I met him at the health care facility where he shared a room with "Pop", my father in law. When Pop was sleeping, I would sit and talk with Mr. Doyle, as I called him. He was a character, always saying something funny and never complained about or wanted anything; however if you offered him some chocolate, he never turned it down. I know he loved Krystals...A lot of times I would go in and he would be sitting there eating Krystals like they were going out of style. One night I went in and Pop was sitting up in his bed eating Krystals that Mr. Doyle had given him. I will miss Mr Doyle greatly and will think of him every time I pass by "John's Place" as Pop would call it.*

Praying for the family.

“ *As we all know, Doyle was one of a kind! Always poking fun and telling jokes. His favorite past time was "let's make a deal" or was that let's make a "steal"!! He was very talented at the game of swapping and coming out on the better end of the deals he made. His humorous and sometimes high spirited ways will never be forgotten and his memory will live on in all of us who knew him and loved him. Doyle meant the world to us and was a constant in our lives! As kids we grew up seeing him every day of our lives and it's hard to imagine how it will be without him here. We would spend time together playing checkers with him and he just loved winning! He would also take us for rides in his old boom truck or his black and white oldsmobile and we thought that was special - but what was really special was the time we spent together and the memories we made that could never be forgotten. Although he has departed this earth to live on in a better place, he will always have a special place in our hearts. Love to you Doyle from Claylan, Jessica, Angie, Amanda, Ann and Barry...*
