“ *I will never forget how she treated me like I was one of the family, the way she would hug me like she did Nick, DeeJay, and Jazzy the light of her life. She will be missed so much by so many people. I still can't believe she is gone but not forgotten. The way she would think of me and bring care packages. I had a lot of respected for her and the way she loved her family she showed it every day my heart and sympathy goes out to her family. God Bless her and her family. Love and miss you Eddie.
