

Elizabeth "Beth" Renae Allen

February 5, 1963 - September 26, 2017

Elizabeth Renae Allen - or Beth, as she was known to most everyone - passed peacefully yet unexpectedly on the morning of September 26, 2017.

Beth is preceded in death by her mother, Mary Louise Allen, her father, William Guinn Allen and her nephew Samuel Guinn Allen.

Beth is survived by her daughter, Ansley Chilton, stepdaughters Brooke Chilton and Brandi Womack (Tas) and four beautiful grandchildren. Beth also left behind her brothers Bill Allen (Joyce), Tony Allen (Carroll) and Michael Allen; her sisters, Helen Cooper (Wayne), Vicki Mitchell (Steve), Patti Allen and Becky Worley (Bill). And two generations of more than 25 adoring nieces and nephews who will forever remember her kindness, her grace and her jokes.

In life, Beth burst with humor and light. She met challenge and adversity with courage, humor and wit. She was, perhaps, best known for her service to those in need. Be they victims of catastrophic weather, or conditions of their own making, she had a heart for them. She gave of herself tirelessly and without complaint. To so many, she was a rock and a safe place; a warm and welcomed distraction from fear and sadness.

For more than three decades she nurtured children at Pediatric Diagnostic. She served thousands of hot meals to victims and volunteers after tornadoes

ravaged the valley. She took in strays, she baked casseroles and she donated money even when it meant going without. With an eye for beauty and a love of old things, Beth could turn a random pile of odds-and-ends into a treasured piece of art. Her capacity to love was boundless. She had a wide circle of family and friends who will miss her terribly.

Services will be held at Trenton United Methodist Church at 2:00pm on Friday, September 29, 2017 with Rev. Reece Fauscett officiating. Interment will follow in Bethlehem Cemetery. Visitation will be held at Ryan Funeral Home on from 4:00 - 8:00pm on Thursday and from 11:00am - 1:00pm on Friday.

“ I would like to send my love, heart and prayers to Ainsley chilton daughter of beth and to her family. I met beth in 1996 when she gave me a job at pda. I hate hearing on her death but in a way you can say she is in a better place and world. She had done good in this world and will be missed . I am here if and when you need someone . Not sure if I can get to the funeral or visitation due to health reason .. bad foot . My thoughts and love are with you all.

“ Wow what can i say the entire Allen Family means so much to me, what a great group of people to be around so fun, creative, i could go on and on. I saw Beth at an Estate sale that she was working at May a year ago and i was looking at a car that was for sale and in in distance i hear this voice saying I wouldn't let that old hag drive that car and i looked up and there was Beth with that big smile on her face. She will be greatly missed and my thoughts and prayers go out to her family.

“ Beth and I played softball in high school together. She played first base and caught many of my wild throws while doing the splits on first base. She donated 2 awesome cakes to our fundraiser to help a little boy, my great nephew, who was having open heart surgery. I'm sure she helped many people. Although mostly Facebook kept us in touch, I sure will miss her.

“ Beth was one of the most competitive people I ever had the privilege of playing against who became my lifelong friend.
