“ *I have known Eric since he was very young! His brother has been a part of my family for the past 17 years, which brought Eric into our lives as well!! He meant the world to so many people and was a very special young man!! It was very tragic to me when I got the phone call Sunday morning, that he had passed away. You are gone in body, but in our hearts always.....Prayers go out to your family.*

“ *Eric, School bus 004..all I can do is sit here and imagine you again sitting in the back seat and how jealous I always was when you was the first person off the bus. Years later, we became friends and shared MANY conversations and coached eachother thru tough situations. You will truly be missed. Rest Well, look out for us.*
