“ *I've known Evelyn my whole life. Whenever I was on the mountain, sometimes I would stop by her house & have a cup of coffee & a lot of conversation. Sis Evelyn was also my cousin. She would share stories with me, let me take photos home of other family members to make copies of. I loved her dearly. I loved my visits with her, my cup of coffee & conversation. I am just finding out about her passing. My love & prayers to the family.*

“ Randy and Cyndi, Tex and Elaine, Bruce and Talitha, and all the grand children and great grand children, I am so sorry for the Loss of your precious mom.

May God be with you and comfort you each and everyone, you all are in my thoughts and prayers.

I love you so very much.

Wanted to share a sweet poem I read and I love.

Life is a book in volumes three-

The past, the present, and the yet-to-be.

The past is written and laid away,

The present we're writing every day,

And the last and best of volumes three

Is locked from sight - God keeps the key.

I love you bunches, my sweet cousins.
