“ Fred was more than a client he was a true friend. I always looked forward to his migration north in the spring to start racing. My wife and boys and I went on a number of picnics with Fred and Clair in the summer. The thing we always did when had time was visit the Bears club for some afternoon libation and shot some pool. One Adios week our brothers Clifford and George came to visit so Fred and I teamed up and gave our brothers a lesson in how to play 8 ball on the pool table. The rest of the stories I will keep till we can share them in heaven

“ My deepest sympathy for Stephanie and the rest of the family. I remember telling Fred something that would benefit him and if he didn't listen I was going to show up hair on fire a d jumping up and down, he said I'll do the opposite just to see that. We both started laughing.
