“ Gary Allen Clark was my middle brother and was a loving one at that and a loving father and husband. I think about him every day since the day I received the news..He had a heart of gold and would do any thing he could to help people in need when he could until he couldn't help any more. I remember a time when I was young we all use to play in the orange Grove and play hiding go seek under the tubes. I also remember a time he was jumping on a trampoline and came walking down the road with his knee/ leg cut real bad like nothing was wrong and coming in the house and telling our mother and her grabbing green alcohol and pouring it on it. The last time I seen my brother was when we lost our father in 2018 and I asked him one thing and he said to me blood or no blood you are I grabbed him and just hugged him and I should have never let go...I will miss him with all my heart...
