“ There are so many qualities that I really appreciated about my Aunt Gertrude! Her love for gardening and her eagerness to share stories of love ones from her numerous picture albums are only a couple of my childhood memories. As a child, I thought my Aunt Gertrude was the coolest ever because she could seemingly prepare a delicious meal in no time or make anything out of absolutely nothing. Her soft heart for those in need and her love for all animals were obvious to all who knew her. It also appeared that each of her children were her very favorite as she had a humble way of bragging about each of their fabulous talents. Often Aunt Gertrude would wink and grin at me with noticeable pride when her sister, my Mama, would say to me, “you look and act just like your Aunt Gertrude!” Of course to me, this was a forever cherished compliment. I want to sincerely express my deepest sympathy to all those hurting in the tremendous loss of this very special lady who lived a remarkable and fulfilling 95 years on this earth!! Praying for comfort, healing, and peace for all her family and especially for my Mama who will truly miss her one and only sister.
