“ *My sincere condolences to the entire Preston Daniel Family and especially Mary. I have been out of town and was not aware that Preston had died. I have known Preston as long as I can remember and considered him my Friend. I had the pleasure of working with Preston for many years, during my tenure as Mayor of Trenton. He was a faithful employee with the City Of Trenton for many years, serving as our Street Department Superintendent. He will be missed by all who knew him. May God with be the family at this time.*
