“ My aunt Hazel! She was my great aunt. Such an amazing woman. Fearless, determined and strong-willed. I remember as a child we would visit Sand Mountain in the summers and she would always greet us with a big smile and hugs. We loved spending time with her and the rest of the big family there. She was truly loved and will be missed.

“ To have such a wonderful Lady come into our lives and leave such a lasting bond is what makes life great. To have shared our home, our family and our Island with Hazel and her sister Verda was an honor. They felt right at home here and explored our the Island from Lighthouse to Lighthouse. They shared their life stories with us and it is amazing how they carried on. Hazel driving to Prince Edward Island, Canada four times was a feat on its own. Hazel was determined, she had a great sense of humor and most important of all, was a great friend. Nancy, Thomas and the Sherry family members.

“ Ms. Wade!! I loved her! I didn't realize she was stil alive or I would have went to visit her! She was my kindergarten teacher at Davis. She was the only person that I would let assist in pulling my "baby" teeth! I have often wondered about her! I am now a nurse. I had no idea she was once a nurse.
