“ *I express my sincere condolences to the family in Helen's passing. My memories of your family go back as long as I can remember. I remember watching reel-to-reel video that Billy Joe and Helen had of Daddy, Mama, and Dale being baptized in Lookout Creek and that baptism was 66 years ago! I also remember a bowl of wax fruit that sat on our kitchen table for years that sported teeth marks on an apple from one of you three older guys. Sweet memories of times in our past that were usually accompanied by home made ice cream. We will be praying for all of y'all in your loss, but even though we have heard it many times, your loss is truly heaven's gain.*

“ *Heartfelt sympathy to all the family. Helen was a special and beloved cousin. Her home going will leave a void in my heart but the Angels are singing, "Well done my child, welcome Home, you've fought a good fight!"*

*I pray each of you find comfort in all your wonderful memories. Sorry I cannot be there for the service but I am so thankful for the time we shared after Chuck's funeral.*

*May God bless each of you and please stay in touch.*

“ My thoughts and prayers are with all the Bradford family. Helen was a blessing to everyone she met and I enjoyed her friendship. I will always remember too the first time I met her. She was with her husband Bill and immediately he and Jakie started a conversation as old friends always do. Love and blessings to all. Phyllis
