“ *Helen was always so kind to me and lit up whenever Mark and I came for a visit. May years later after Bill and I were married, she and the family stayed at our house on their way to meet Mark in Colorado for a big vacation. She loved everyone but no one more than her Savior. I rejoice with the family to see her dancing in Heaven, completely healed. I look forward to seeing her again someday and having eternity to share love.*

“ She will be sadly missed by all who loved to hear "The Hickeys" perform that smooth bluegrass music they done so well on several occasions. They are dear people who I consider friends and a brother and sister in Christ Jesus. Love you folks.
Brother Marty, please know you and your precious family are in our thoughts and prayers.

Monroe and I really appreciated Helen and Marty. We loved hearing them sing. They have sung at our church several times. God bless Marty and the family and the sweet memory of Helen.
