“ *My aunt Helen was such a wonderful woman who loved God, church and family. When my mon was sick, she was there everyday making sure we all had what we needed. My daughter is special needs and she always told Brianna that she couldn't date until she was 40 and it made her feel so special. We will never forget you Aunt Helen. Say hello to mom and grandma for us.*

“ Helen was a sweet and wonderful lady. I am blessed to have known her. Prayers for her family during this time. Knowing she is with Jesus brings comfort I'm sure, but the pain of losing her has to be hard. Prayers for her family.

“ I will always remember back when Sis Oliver was our preacher and I was helping her do the yard work at the church. An old station wagon pulled up and an old woman got out and proceeded to con me out of \$20 for gas. Sister Oliver and I both were talking about how we thought we had been tricked. All of a sudden, we saw the station wagon coming back and it pulled back in and Helen and Kim come piling out of that car laughing their heads off because Helen had dressed up and fooled us. It was a long time before she let us forget that she was able to trick us like that.

I love this woman and will miss her dearly.
