“ . *We were classmates and I always remember her sweet and kind disposition. Hadn't seen her in years until our 50th class reunion last year. We talked about so many things and memories we had during those most wonderful years of our lives.*

“ *You were always good to me, I remember all the days on the bus route. You got on to me one time because I was standing up talking and I sat my tail down real quick. You didn't have the easiest route, sometimes I don't know how you wasn't hoarse before you got home; you had some rowdy kids. You always had a caring heart tho. Fly high Mrs. Blevins! Love, Heather Moses*
