“ To the Tinker family: I met Dan Tinker many years ago. He was still a mail carrier at that time but he soon after was promoted to supervisor. A few years later I was promoted to supervisor and Dan and I worked close together in the late 80's early 90's. I learned a lot about supervision, postal policy and life in general from him. He was a good friend and I am sorry for your loss. John Eason, Postmaster retired, Pikeville, TN
