“ *Our family will miss Irma and seeing and/or talking to her almost daily. Irma loved my grandfather and made him a happy man until he went to heaven on May 31, 2020. I know they are both reunited again and that gives me some comfort. Maybe not blood, but Irma was like mine and my sons grandmother. She has been there for my son since birth and a piece of him is now gone. We will miss this precious lady and we pray for her immediate family in this sad time.*

“ *My aunt had a way with words that will forever be unmatched. Among the many pearls of wisdom she gave me, my favorite quote will always be... "I know just enough about everything to have a conversation with anybody."*
