“ *We were the most unlikely of friends the world had ever seen. Polar opposites in so many ways, but we became such good friends! You were there for me in the best of times and even the worst of times. I was your favorite Yankee! No favor was ever too big of an ask for you and there were countless times where I didn't even have to ask. And there were so many fun times and belly laughs that came with the territory of being your friend.....deadly pool volleyball games, barbecues, bonfires, and drunk Christmas caroling are just a few that come to mind.*

I miss you so much already, Biggun, but I take comfort knowing that you are no longer in any discomfort even if it means we must bear the pain of your loss. Rest easy my friend. - Lisa.
