“ Met J.C. a few years back as I was a nurse to his wife Caroline and then continued working for J.C. after Caroline passed. We became good friends and share many stories of the past together. He, Caroline, and I listened every week to the Gaither group singing as Caroline and I sang along as J.C. listened to us. We spent many hours holding hands with Caroline crying, praying, singing, and sometimes laughing together. I am privileged to have been able to share time with this wonderful family. J.C. shared with me the way his family taught him about the Lord and how they were taught to reverence and honor our Lord and Saviour. Blessings to all the family I pray in Jesus' name.
