“ *We worked with Karen at R & R TV & Appliance in the late 80's.. She was such a sweet young woman and was a wonderful mother & wife.. She was always kind and a pleasure to work with a smile that would light up a room..... It has been years since we seen her but we remember her all so well and we pray for the family with this time of loss of Karen.. Jeff & Pam Glass*

“ Praying for the family, peace that will bring comfort to your heart. Mrs. Karen is a treasure that has touched my heart. She was a true original, with strength and confidence ,she shared with God’s Love with others. She’s now at rest in the Father’s house. She will be waiting on us, what a glad reunion day that will be.

“ May the God of all comfort be with you during this difficult time. I had the honor of working with Karen and will miss seeing her smiling face. We would always have a good time with each other because I'm a Vols fan and she a big Bama fan. We also had many conversations about Jesus. Although I know we would all rather have her here I am thankful to know she is home with Him. Love and prayers to the family.

“ Karen was one of my best friends. We had many important talks well important to us ! She was always thoughtful of others . Karen lives like no other and liked being a part of everyone’s life . She would always think of others when she would go on trips of any kind. She always brought a souvenir back whether it was an ink pen or key chain . I will miss her everyday but I know for sure she is holding someone’s baby or little one in heaven as I am typing this. Til I see you again Karen ...”love you forever Carol Wallisch
