“ Kelly was part of my live for many years. It's hard to know I will not see her again this side of heaven. Her life impacted so many people. Her death has made people realize how much she meant to those whose lives she touched. She loved her husband, daughters, son, grandchildren, and great granddaughter, but most of all she loved God. This love embraced all who knew her and all those she met in passing. What a large hole she is leaving in the hearts of those who loved her back.
